

New Registration Process

As you will be aware, the country is, and will be, going through challenging times in the forthcoming months as the Coronavirus (COVID-19) affects the UK.

The safety and wellbeing of our candidates and customers is our priority. Consequently, our registration process now has additional questions about Coronavirus (COVID-19).

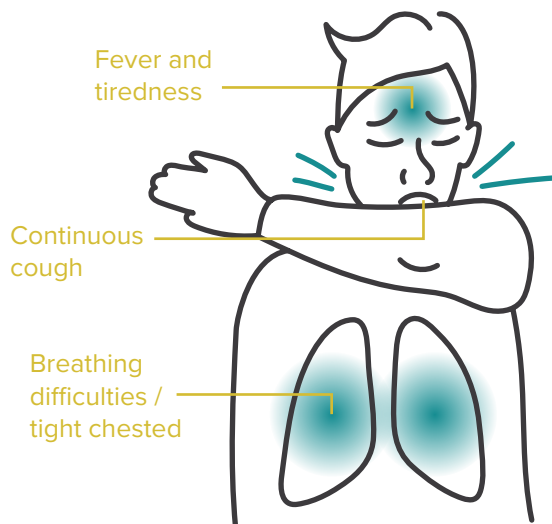

Importantly, when you are put into a placement, please pay special attention to any procedures that have been put in place. If you feel unwell, or show any symptoms whilst on assignment, please follow the suggested guidelines for self-isolation. Further information can be found in the links below.
